# CIDNY's JOB CLUB

## For Young Adults with Disabilities Ages 18-26

You can build your job skills and confidence with other young people who want to go to work.

CIDNY's peer counselors will help you take the next steps towards independence.

### You'll learn about:

- Uncovering your job interests and talents
- Making goals you can reach
- What you need to know to live independently
- Understanding your rights at the job
- Answering the tough questions at an interview
- Getting the right references
- If you should disclose your disability and how to do it
- Learning what an employer expects of you
- Getting and keeping benefits
