Advocacy Works!

[Image description: A big fish eating a school of little fish. The word organize! An even bigger school of little fish working together to chase the big fish.]

Last year, CIDNY Action Network members joined advocates from other groups in rallies at the Astoria Blvd station, where renovation plans did not include subway elevators.

On Tuesday, April 17, the MTA announced that four elevators are going to be installed at the Astoria Blvd station on the N and W lines in Queens, with work beginning this summer alongside other station improvement projects in the area. Read the full press release here: [http://www.mta.info/press-release/nyc-transit/mta-new-york-city-transit-bring-elevators-astoria-blvd-station](http://www.mta.info/press-release/nyc-transit/mta-new-york-city-transit-bring-elevators-astoria-blvd-station).

We’re still advocating for better Access-A-Ride service and more subway accessibility. Join us at the next MTA board meeting on Wednesday, May 23rd at 2 Broadway between Beaver and Stone Streets in Manhattan. Please arrive at 9am and RSVP. Please RSVP to Laurette at 212/674-2300 or lhamilton@cidny.org if you’re in Manhattan. If you’re in Queens or are a Spanish speaker, RSVP to Jose at 646/442-1520 or jmera@cidny.org. If you need an accommodation, such as large print or interpretation services, please let us know two weeks in advance.

Need Input on Long-Term Care Survey

- Analyze, evaluate, and identify the existing service gaps in New York’s long-term care system;
- Determine the most cost-effective evidence-based interventions; and
- Prepare a strategic plan to meet the emerging needs of New York’s aging population over the next decade.

CIDNY participants about being denied housing when they presented housing vouchers. The legislators were receptive to the Bill and will look into it further. A press conference hosted by Assemblyman Walter Mosley was held to promote the Bill.

**April Lobby Day**

On April 23, 2018 11 CIDNY participants and 8 staff went to Albany to participate in New York Association on Independent Living’s (NYAIL’s) Spring Legislative Day to advance our policy priorities. CIDNY consumers shared their stories and discussed policy issues with staff of Assembly members Kevin Cahill, Andrew Hevesi, Helene Weinstein, David Gottfried, Catherine Nolan, Jeffrion Aubry, Edward Ra and Senators Neil Breslin, David Carlucci, Joseph P. Addabbo, Jr., Leroy Comrie, and Steven Cymbrowitz.

Our participants helped legislators understand the importance of our issues. These include supporting:

**The requirement that all people applying for a teaching certificate, school administrators, and other school staff complete enhanced coursework or training in the area of trauma as it relates to children and its impact on children’s development and learning.** Many schools lack de-escalation plans or crisis intervention teams to address what is considered “disruptive behavior,” leading to excessive use of EMS or police.

**The Child Victims Act which will increase the statute of limitation, will allow for a child victim of sexual abuse to file a civil claim until the victim reaches age 50 and increase the time to file a criminal claim until the victim turns 28.** Children with disabilities are 2.9 times more likely than children without disabilities to be sexually abused. The percentage rises dramatically to 4.6 times more likely for children with intellectual disabilities or mental health disabilities.

**Access to medication.** This legislation is necessary to ensure that consumers can have the choice of accessing their covered medications from a local pharmacy or by mail order.

**A proposal to make discrimination by landlords based on a Tenant’s Source of Income Illegal under State Law.** More than one third of people with disabilities are severely rent burdened, spending more than 50 percent of their income on housing.
