COVID-19 Community Vaccine Navigators and COVID-19 Liaisons

The COVID-19 pandemic is not over. We know you may have some questions, concerns, and needs, and CIDNY is here to help. Please see below for some quick reminders and updates on how to stay safe and the COVID-19 vaccine. We have Community Vaccine Navigators available to answer any questions you might have.

How can I protect myself from getting COVID-19?

- The most important thing you can do to protect yourself against COVID-19 is to get vaccinated.
- In addition, wearing a mask over your nose and mouth, staying 6 feet away from others, avoiding crowds and poorly ventilated spaces, and washing your hands often can help protect you from getting COVID-19.
- Where can I get vaccinated?

- Currently, if you get vaccinated at a NYC site, you can receive \$100 for your first dose. You can make an appointment at a city site by going to: <https://vax4nyc.nyc.gov/patient/s/>.
- If you mention that you were referred by the Center for Independence of the Disabled in New York when registering online, CIDNY will also get \$100 to put towards helping people with disabilities.

If you have more questions regarding COVID-19 or COVID-19 vaccination, you may call us at 646-442-4186 and ask to speak to a Community Vaccine Navigator. We can also help you schedule appointments.

For assistance with other COVID-19 related needs such as transportation to or from vaccine appointments or questions about benefits that may be available, you can contact a COVID-19 Liaison at 917-810-2565.
