Support CIDNY In The New Year

We simply could not do this work without the help of our supporters. 2022 has been a turning point for many of our advocacy efforts. As a result, we successfully expanded voting rights, accessibility to healthcare, inclusion in employment standards, transportation, and more. With a new year upon us, we ask our donors for support to jumpstart our 2023 initiatives. With your help, we will use these funds to create opportunities to build a more equitable and inclusive New York City and keep our programs growing strong in 2023 and many years to come.

If you would like to donate, you can visit <https://www.cidny.org/donation>, or you can donate to our fundraiser on Facebook at <https://www.facebook.com/donate/5856806157671445/>. You can also create your own fundraiser on Facebook and Instagram to support CIDNY!

You can also create a team on GiveButter and if you raise \$100 or more, we will send you a CIDNY shirt as a thank you for your fundraising!

- Click "Donate" on the top right hand corner to provide a general donation

Health Care – Get Covered in 2023

Having health insurance coverage is vital for all people, especially those with disabilities. Health coverage open enrollment is open until January 15, 2023. The levels or tiers of plans are:

Bronze – lowest monthly premium but highest out-of-pocket costs (covers about 60% of costs),

Silver – slightly higher monthly premium but out-of-pocket costs are lower than bronze (covers about 70% of costs)

Gold – even higher monthly premium but even lower out-of-pocket costs (covers about 80% of costs),

Platinum – highest monthly premium, with the lowest out-of-pocket costs (covers about 90% of costs); best for those who use a lot of care.

To learn more about plan option, visit

<https://www.healthcare.gov/choose-a-plan/plans-categories/>.

Did you miss the open enrollment period? No need to worry! You can still sign up for coverage if you qualify for the Special Enrollment Period. For example, you may be

able to sign up for coverage if you experience a change in income or your job situation.

In addition to job opportunities with CIDNY, which can be found online at <https://www.cidny.org/jobs>, we sometimes are shared jobs from organizations making an effort to make jobs accessible and offer employment to people with disabilities. COVID-19 Vaccines, Tests, and Information

CIDNY has been working with groups like the Disability Vaccine Access Opportunities Center (DVAO Center) to help make sure we're all staying safe. Some social media sites have suspended moderation of COVID-19 misinformation, so it is more important than ever to make sure you have the right information. If you need help getting the first vaccine or a booster, making an appointment, or have questions about the vaccine and what you've heard, please reach out to us.

If you would like to schedule a vaccine appointment, visit vaccinefinder.nyc.gov or call 877-829-4692.
