Vote NOW for Citywide Participatory Budgeting!

Voting has started for *The People's Money*, NYC's first-ever citywide participatory budgeting (PB) process! All

New Yorkers age 11 and up, regardless of immigration status, have the opportunity to decide how to spend \$5 million of mayoral expense funding on projects in their community.

Though NYC City Council members introduced PB back in 2011, and many City Council members currently participate by putting up their own discretionary funding, *The People's Money* is the first *citywide* process utilizing Mayoral expense funding. Expense funding can be used for projects and services, and the citywide process allows all New Yorkers to participate, regardless of the council district they live in. To learn more about the process, visit participate.nyc.gov.

How to Vote by June 25th:

1. Online Ballot: Visit on.nyc.gov/pb and follow the instructions.
2. Paper Ballots:
 - a. Visit a vote site in your neighborhood: on.nyc.gov/pbvotesites
 - b. Visit us at one of our pop-up vote events: on.nyc.gov/pbvoteevents

Together with other Aging and Disability Vaccination Collaborative grantees, we will deliver vaccines and supportive services to more than 2 million older adults and people with disabilities. USAging's Aging and Disability Vaccination Collaborative is funded by the U.S. Administration for Community Living.
